THE BOARD OF FOREIGN MISSIONS

*respectfully presents to the General Synod of
the Reformed Church in America its One
Hundred and Twentieth Annual Report,
the Ninety-fifth of its Separate and Independent
Action and the Sixth of the Reorganized
Board, continuing the former Woman's Board
of Foreign Missions.*

foreword

THE Board of Foreign Missions presents herewith its one hundred and twentieth annual report to the General Synod of the Reformed Church in America. Because of the many requests that have come during the past years, the form has been changed and this year we present two sections which may be used together if so desired.

This report contains the facts regarding personnel and finances of the Board. It is hoped that each member of General Synod will translate these cold facts and figures into the warm experience that comes to individuals and groups who accept Jesus Christ as their Lord and Saviour. We continue to be grateful for a church that has a missionary purpose from which it will not be swayed. We give thanks for the steady increase in finances and personnel that makes it possible for the Board to meet the most urgent needs overseas.

OPEN GATES, presented with this report, was produced because pastors and leaders have requested short histories of our mission fields and an analysis of trends in overseas missionary work. With the growing membership in the denomination a need has arisen for information regarding the origin and progress of our work in the countries where our missionaries serve. Missionaries who have the background of the work have taken time from their busy lives to help us prepare this part of our report. It is hoped that every congregation will use this as a text book to study their work in foreign fields. We are grateful that God has used the Reformed Church in America in the ways that are shown in the story in *OPEN GATES*. We will not stop because of these successes, however, but will go forward doing our part in opening more gateways for the Gospel.

The greatest organizational change that has been made by the Board this year is in the unification of the Department of Women's Work with the similar department of the Board of Domestic Missions. This should lead to more efficient work and more unified promotional plans among the women of the various Classes. The group will be known as the Department of Women's Work, of the Mission Boards, Reformed Church in America.

We are thankful that it was possible to have the Rev. John Muilenburg assist us with speaking and arranging itineraries for other missionaries. For one who had not seen the field, his responsibility for the work in Africa was carried out in a remarkable manner. Due to illness and the unexpected absence of several members of the staff the work in the office has been difficult this year. The situation thus created would have been, without divine help, quite impossible. Dr. Potter's wealth of experience and sound judgment have been sorely missed by all who carried executive responsibilities.

Through all of the changes we have been conscious of the loyal understanding of our church and the God-given strength for each new task. We thank God and go forward with His help.

Much of our work is made possible by the gifts of friends who have passed on. For any who would like to make suitable provision in their wills the following form of bequest is suggested:

I give and bequeath to
BOARD OF FOREIGN MISSIONS
OF THE REFORMED CHURCH IN AMERICA

..... Dollars
for the general uses and purposes for which said Board
was incorporated.

Further information upon request

HOME EXPENDITURES AND PER CAPITA GIFTS

The report of the auditors (page 25) will show the details of the Home Expenditures. The expenditures under this heading include what was spent on education and promotion and the share of our Board in the Children's Department, Youth Department and Visual Aid which are co-operative projects of various Boards of our Church. This total, \$118,119.21 is 13% of the total receipts of the Board.

The per capita rate of receipts calculated on the basis of total receipts, including the Board's share in General Synod's special funds, is \$4.78 as compared with \$4.59, the last available twelve month period (1950). Calculated upon the basis of contributions from the living the capita rate is \$4.13 as against \$3.86 of the above mentioned period.

FIELD EXPENDITURES

The totals expended for the regular budgets of the Missions were as follows: Amoy—Philippines, \$108,480.90; Arcot, \$151,100.33; Japan, \$96,117.41; Arabia, \$149,653.55; United Mission in Mesopotamia, \$11,500.00; Africa, \$26,972.79; a grand total of \$543,824.98. This total is an increase of \$97,339.25 over the corresponding figures of the 1950-51 year.

Auditors' Statement

April 11, 1952.

The Board of Foreign Missions, R. C. A.
156 Fifth Avenue,
New York 10, N. Y.

Gentlemen:

We have examined financial statements of The Board of Foreign Missions, R. C. A., for the year ended December 31, 1951. These statements accompany this report and are marked Exhibits "A," "B" and "C" and Schedule #1, #2 and #3.

In connection with our examination of the financial statements we obtained confirmations of cash balances on deposit, counted petty cash on hand and examined documents relating to or obtained confirmation of all investments. We received letters of confirmation from the custodian bank as to securities in safekeeping and from servicing agents with respect to certain mortgage investments. We also obtained letters confirming certain investment documents held by others and examined other documents on hand in the Board's office.

We examined or tested the accounting records to the extent we deemed appropriate and made a general review of the accounting methods, but we did not make a detailed audit of the accounts. We did not attempt to determine that all items of credits for revenue and charges for expenditures had been entered in all cases in the appropriate accounts, or that there had been compliance with all conditions and restrictions under which funds have been received.

Investments of the Board at December 31, 1951, including deposits in various savings institutions, are listed on Schedule #2. The amounts shown on this Schedule for "current value" of certain investments at or near December 31, 1951 have been based on available published information except as noted on Schedule #2. These valuations are not intended to represent the actual amounts realizable upon sale of the securities.

A statement of revenue, charges against revenue and other changes in Fund balances for the year ended December 31, 1951, is presented on Exhibit "A." This statement does not include receipts and disbursements of funds handled solely as accommodations; such accommodation transactions are shown only on Exhibit "C."

The Board has included in its transactions for the year certain amounts actually received and disbursed from January 1, 1952 to January 15, 1952. Conversely, amounts received and disbursed from January 1, 1951 to January 11, 1951 were included in transactions for the period ended December 31, 1950 and therefore are not included in transactions for 1951. We were informed by your Secretary, Miss Ruth Ransom, that the greater part of the receipts recorded January 1, 1951 to January 11, 1951 and January 1, 1952 to January 15, 1952 had been collected by the local churches on or before December 31, 1950 and December 31, 1951 respectively. A summary of such receipts follows:

	Included in 1951 transactions— Received Jan. 1, 1952 to Jan. 15, 1952	Excluded from 1951 transactions— Received Jan. 1, 1951 to Jan. 11, 1951
Collections.....	\$151,439.71	\$116,998.18
Legacies.....	44,735.42	—
Designated gifts.....	11,214.48	6,333.46
Sundry items.....	6,732.73	1,403.03
Total.....	<u>\$214,122.34</u>	<u>\$124,734.67</u>

Disbursements recorded as transactions from January 1, 1952 to January 15, 1952 but charged against operations for the year 1951 amounted to \$6,781.63 and were for mission expenses, home expenses and miscellaneous items. This corresponds to an amount of \$3,032.50 disbursed January 1, 1951 to January 11, 1951 and charged against operations for the period ended December 31, 1950.

In the Balance Sheet herewith, the amount of such 1952 receipts has been separately stated as "accounts receivable" and the amount of such disbursements applicable to the year ended December 31, 1951 has been separately stated as "accounts payable."

In our opinion, the accompanying financial statements, when considered in conjunction with the foregoing information, fairly present a summary of the Board's revenue and related charges and other changes in Fund balances, as recorded in the accounts for the year ended December 31, 1951 and its financial condition as at that date, understanding that such accounts reflect certain cash transactions, as summarized in the two preceding paragraphs, on the basis of a period other than the calendar year.

Respectfully yours,

LOOMIS, SUFFERN & FERNALD
Certified Public Accountants.

THE BOARD OF FOREIGN MISSIONS, R. C. A.

necrology

MR. EDGAR F. SHEPPARD, member of the Board of Foreign Missions since 1948, and for sixty-three years a member of the Trinity Reformed Church of Plainfield, New Jersey, died on February 20, 1952. He served North Plainfield as mayor and as a member of both the Town Council and the Board of Education; he served his church as Sunday school superintendent and as teacher of adult Bible classes, and for many years as a member of the consistory; he served the larger interests of the Kingdom as a faithful member of the Board of Foreign Missions.

MISS JENNIE A. SCARDEFIELD, member of the Arabian Mission from 1903 to 1925, was called Home after a long illness on March 1, 1952. Her evangelistic endeavors in hospital and dispensary, in work with children and in the homes of the sick and distressed, was marked by a contagious love and cheer. Unselfishly and expectantly she served, endearing herself to her colleagues and a large number of Arab women and children, especially the poor.

THE REV. SAMUEL MARINUS ZWEMER, D.D., apostle to Islam, was a distinguished son of the Reformed Church and a founder of the Arabian Mission. He was born in Vriesland, Michigan on April 12, 1867 and his Homegoing took place on April 2, 1952. From 1891 to 1912 he served in the pioneer venture in Arabia; from 1913 to 1929 he taught and wrote in Cairo; from 1929 to 1939 he was professor of the history of religion and Christian missions in the Princeton Theological Seminary. Dr. Zwemer was a prolific writer, authoring some fifty volumes and numerous articles, and editing *The Moslem World*.

MISS ELIZA POLHEMUS COBB, from 1918 to 1936 was home Corresponding Secretary of the Women's Board of Foreign Missions. She visited Arabia and Japan in 1925, and again in 1929 visited all our mission fields overseas as member of a deputation. Miss Cobb took a large part in all activities at home as well as abroad in the interest of women and girls, serving in unwearied devotion and helpfulness. In all her promotional work Miss Cobb was especially interested in the deeper spiritual life and commitment. Her Homegoing took place on April 18, 1952.

DR. C. STANLEY G. MYLREA, missionary doctor to the Moslems from 1906 until his retirement in 1946, spent most of his missionary career in Kuwait from whence he went Home on January 3, 1952. He was a friend of the Arabs in high places and low, known to them from the pioneer beginnings in Kuwait where he met great opposition. Three times he was honored by the English government, as a citizen of Great Britain, the last time being awarded the Gold Medal of the Kaiser-i-Hind. Skillful as a doctor, his testimony as a Christian was beautiful and consistent. Dr. Mylrea was a lover of the Scriptures and was widely known for his gift in reading the Word, and in reciting whole chapters in both English and Arabic. He was often called "the Father of Kuwait."

REV. HENRY J. VOSKUIL, missionary to China, went out to the Amoy Mission in 1907. A son of the soil, he took from Wisconsin to the land of his choice a practical, analytical mind. He worked on the frontier — plowing and sowing, starting chapels in market places and otherwise building up the country work. By 1940 he was in charge of the evangelistic work in Changchow. For some time he was president of the Amoy Mission. In 1942, on the first trip of the repatriation ship, *Gripsholm*, Mr. Voskuil with his wife returned to America. Soon afterwards they became emeritus, making their home in New Brunswick, N. J. He died on October 8, 1951.
